Dear Students:

In the pages of this handbook are the keys to planning for a successful 2020-2021 school year at Rancocas Valley Regional High School. You’ll find information about academics, student services, safety, and our extensive co-curricular and extracurricular offerings.

This year, you’ll also find details on our new technology initiative, 1:World, which assigns a MacBook to every Rancocas Valley Regional High School student and instructional staff member. We piloted this initiative in 2019 and 2020, and we are excited to expand access to technology throughout our district. Please make the most of this opportunity to stay connected, engaged, and challenged in and out of the classroom.

We built 1:World out of our Vision 2020 Strategic Plan, which we are completing this academic year. In addition to 1:World, the 2020-2021 academic year will usher in a new academic level to help us better meet every student’s learning needs and adjustments to our daily schedule to maximize student learning time. This is how we’ll all #FinishStrong.

We view the official end of Vision 2020 as the beginning of an even brighter future for RV students. That is because our Vision 2020 action plans were developed and implemented to support our mission to empower every student with the knowledge and skills to be a contributing member of the community. We hope you take the time to look over this handbook and our calendar and think about how you’ll shape your RV experience with your future in mind.

This handbook replaces all prior handbooks and other written material on the same subjects, and it reflects the status of the Board’s policies and the school’s rules as of May 2020. If any of the policies or administrative guidelines referenced here are revised after May 2020, the language in the most current policy or guidance prevails.

Parents and guardians are also encouraged to review the handbook to become familiar with the expectations we have for our student body and the opportunities available. If you or your parents/guardians have any questions that are not answered in the handbook, please speak to your teachers, administrators, or the building Principal.

Please know that regarding the COVID-19 pandemic, we strictly follow the guidance issued by the state and local health officials, as well as the New Jersey Department of Education, to make all necessary adjustments to our standard practices. We will communicate such changes through many channels, when appropriate.

We enter each new school year with excitement and optimism that it’ll be the best one yet. We have those same expectations for the 2020-2021 year. Let’s make it happen.

Sincerely,
Dr. Christopher Heilig, Superintendent

1: WORLD RESPONSIBILITIES

The school-issued device is to be used only for educational or career development activities authorized by RVRHS. Our goal is to support learning by providing the tools necessary to actively engage students. If properly used, technology can be one of many tools to accomplish this goal.

As such:

- The school-issued device is the property of RVRHS and will be treated like any other instructional equipment provided to students such as textbooks, calculators and athletic equipment.

- The school-issued device and its case must remain free of any writing, drawing, stickers, or labels that are not affixed by the Rancocas Valley Regional School District. In addition, the case must remain on at all times.

- Storage space is available on the school-issued device but it is strongly recommended to save everything on your school provided Google Drive.

- Students are responsible for keeping the battery fully charged and have the laptop ready for school each day.

- The RVRHS Protection Plan will cover any computer repairs or maintenance. All hardware issues will be addressed by our Technology department. Students can report their technology issues, that cannot be fixed by normal troubleshooting, to the Media Center for further assistance during their prep/lunch, or tutorial.

- Our Protection plan will NOT however cover replacement in the event of theft, loss, or repairs based on intentional damage and/or neglect.

- In addition, RVRHS does not cover lost or damaged accessory items such as cases, cables and chargers. Lost OR DAMAGED items such as cases and chargers will be charged the actual replacement cost. In these cases, fines will be issued, which are the students’ responsibility.

- In cases of theft, loss, or vandalism, students or parents/guardians must file a police report and bring a copy of the report to the deans’ office as soon as possible. These are also the responsibility of the students.

ACADEMIC REQUIREMENTS

PROGRAM OF STUDIES

RVRHS is a comprehensive four year high school of approximately 2100 students. A broad curriculum is offered under the single track concept, allowing each student to choose from courses based upon his/her abilities, interests, past achievements, test results, and individual goals, subject to certain state requirements:

1. State Mandated Testing - To graduate, a student must successfully pass standardized tests provided by the State of New Jersey.

2. Curriculum - Minimum curricula proficiencies are required for all students in the areas of communication (English), mathematics, social studies, history, science, health, physical education, fine, practical or performing arts and personal finance. Failure to meet these minimal proficiencies may result in repeating courses, taking remedial courses, or other suitable programs to make up the deficiency. Students must complete a minimum of 130 credits to graduate.

3. Attendance - All students must comply with the Board of Education policy on school attendance.

GRADING SYSTEM, STUDENT RECORDS, AND REPORT CARDS

1. Records are maintained by the school in strictest confidence, and are not divulged except to authorized personnel and upon parent request.

2. Permanent records include: (1) reported grades, (2) extracurricular activities, (3) attendance, (4) scores on standardized tests, and (5) health records.

3. The school year is divided into fall and spring terms with a report card emailed home to parents/guardians every nine weeks. Approximately every six weeks, a progress report will be mailed home indicating the achievement, effort and behavior of a student. An on-line system (Genesis) is also available for parents to monitor their child’s progress on a weekly basis.

4. Students and parents are encouraged to discuss the report cards and interim reports. If there are questions, contact your guidance counselor, who will arrange conferences as needed.
HOMEWORK GUIDELINES
RV believes that ALL students should be assigned appropriate homework on a regular basis.
The Role/Purpose of homework should be to:
• Practice and reinforce what was presented in class.
• Practice skills.
• Prepare for next day’s lesson.
• Work on project based assignments.
• Study/review for quizzes and tests.

Late work:
• Honors/AP classes – no late work accepted
• All other classes – work can be turned in for up to 3 days after due date for no more than 50% credit.
  Large projects/term papers more than 10% of marking period grade-10% off per day for up to 3 days late.
Individual IEP’s or 504 plans shall take precedence over guidelines.

INCOMPLETES
When a pupil does not complete work missed for absence or other approved reasons, he/she will receive an “incomplete” for the marking period. An individualized plan will be developed with work expectations and time frames for completion.

If work critical to the pupil’s understanding of the subject is not made up according to the plan, the grade for that subject area may be an “F.”

If work is missing during the final marking period of the school year, the grade will be left to the discretion of the teacher. The teacher who has given an incomplete is responsible for reporting to the pupil the work he/she has missed and citing the consequences mentioned above.

HONOR ROLL
Rancocas Valley Regional recognizes outstanding academic achievement by awarding Honor Roll status to students who meet one of the following criteria:

  All A's ...............................................................................................................  Student of Distinction
  All A's and B's........................................................................................................  High Honor Roll

Academic award night is held in the spring for each class. All students who have achieved honor roll status for the first three marking periods are invited to attend. The students receive a Certificate of Achievement award and an academic varsity letter. Students who have already received the varsity letter are given a gold bar every additional year they are eligible to attend Recognition Night.

A grade of WF, Incomplete or a missing grade denies a student honor roll status.

PLEASE NOTE: A student must be carrying a minimum of 7.5 credits of coursework (3 full blocks, both A & B days) in a marking period to be eligible for Honor Roll status. Audits, Teacher assistants, Community service, Pass/Fail courses, and WP (Withdrawn Passing) will not be considered when calculating Honor Roll status. Study Halls, Early Dismissal and/or Late Arrival may jeopardize the ability of a student to carry 7.5 credits in a marking period.

NATIONAL HONOR SOCIETY
One of the highest honors at RVRHS is induction into the National Honor Society. Criteria for membership not only includes scholarship but also active participation and support of other school activities and responsibilities. Rating of prospective members is requested from the entire staff, with final selection made by a faculty committee.

The National Honor Society is open to sophomore, junior and senior students who have completed at least one semester at RVRHS. A student must have attained a 3.3 non-weighted Grade Point Average. Those who meet the academic standards are given an opportunity to apply for membership. Verification of participation in extracurricular activities must be secured. In addition, membership is based upon leadership, character and service, with these qualities being rated by staff members’ recommendations. Selection will be made during the second semester for eligible sophomores, juniors, and seniors.

A faculty review committee is appointed by the principal to make the final selection of members with NHS advisors serving as ex officio members.
STUDENT IN GOOD STANDING POLICY

Rancocas Valley Regional High School recognizes that participation in activities is an important part of a student’s school experience. There are many academic expectations in addition to social activities that enhance a student’s high school career. We support these social events as privileges for students who have demonstrated good attendance, academic achievement, and appropriate behavior throughout the school year.

Freshmen, sophomores, and juniors must meet the eligibility requirements listed below to attend the Homecoming Dance, any Class Prom (Junior and/or Senior prom as a guest or a member of the class, and any school sponsored trip. Seniors must meet the eligibility requirements listed below to earn parking privileges on campus and to participate in the Homecoming Dance, Senior Class Trip, any Class Prom as a guest or member of the class, and any school sponsored trip, including project Graduation:

1. Attendance – No more than 12 unauthorized absences or more than 15 unauthorized tardies prior to the date of the privilege or event. Students on home instruction are not eligible for school events.
2. Discipline – No more than 2 out-of-school suspensions or any single offense deemed especially serious by the Superintendent prior to the date of the privilege or event.
3. Fines – All fines must be paid in full prior to the privilege or event. Prom tickets cannot be purchased or parking permits issued unless all fines are paid.

Students are required to keep track of their status.

Please note: There are no refunds for monies paid for the Senior Class Trip and Class Proms if a student is not in good standing at the time of the event.

ATTENDANCE POLICY

Rancocas Valley Regional High School believes that attendance (or the lack thereof) affects the quality of a student’s education. This policy enforces state statute (NJSA 18A-38:25-26) which requires students to regularly attend school. Lack of student attendance may be the cause of poor or failing grades. RVRHS’ current block scheduling necessitates regular school attendance.

I. ABSENCE POLICY

A. 6 unauthorized class absences will be allowed for a semester course
B. 3 unauthorized class absences will be allowed for a quarter course
C. 0 credit will be given for unauthorized absences beyond the number listed above. (Students will not be able to make up work for the day(s) or class(es).
D. Authorized School or Class Absences (notes to Attendance Office)
   1. Physical or mental illness – Doctor’s note required covering all days absent before or within 2 days of the students return to school.
   2. Court appearance – Summons required
   3. Death in immediate family – Note from parent or guardian and copy of obituary
   4. Religious holiday as defined by the State – Parent note needed before or within 2 days of child’s return to school
   5. School sponsored trips – Teacher and Supervisor approval
   6. Out of school or in school suspension
   7. Students excused administratively or by the school nurse
   8. College Visits – Letter required from college (Juniors and Seniors only)
   9. Such good cause as may be acceptable to the Review Board (see Appeal Process)
E. If a student is absent or late, the parent/guardian must call the Attendance Office (267-0830, ext. 3243/3234) as soon as possible on the day of the absence or lateness. Phone calls are to notify the school but notes are needed to make absences or lates authorized.
II. LATE POLICY

Students are expected to report to homeroom no later than 7:57 AM. Homeroom teachers will close their doors at the late bell (7:57) and will not let late students into homeroom without an admit slip from the Attendance Office. The following are the penalties for being late to school:

A. 3 lates = Warning
B. 6 lates = 1 detention
C. 9 lates = 2 detentions
D. 12 lates = Saturday Session
E. 15 lates = Saturday Session
F. 18 lates = Saturday session
G. 21 lates = ISS
H. 24 lates = ISS
I. 27 lates = Out-of-School Suspension until parent/guardian conference with the Asst. Principal

For every late over 27, the student will serve one hour of detention the day of the late or he/she will be suspended for one day.

Students who are late to school but do not get a late pass from the Attendance Office will face the following penalties:

A. 1st Offense = 1 detention (1 hour) before or after school
B. 2nd Offense and any thereafter = Out-of-School Suspension

Please note: Lates are cumulative for the year, not by semester. Penalties for lateness will be enforced by the Dean of Students.

Late arrival and/or early dismissal are authorized for the following reasons:

1. Medical or dental appointments which cannot be scheduled outside of school hours – Doctor’s note required upon return to school
2. Physical or mental illness – Doctor’s note required upon return to school
3. Family emergency – Note or call required from parent/guardian
4. Court appearance – Summons required
5. Motor Vehicle Driver’s Test – Proof from DMV required
6. Interview for college entrance or employment – Letter or written proof required
7. Such good cause as may be acceptable to the Review Board (see Appeal Process)

Please note: All documentation for late arrival or early dismissal must be submitted to the Attendance Office.

III. APPEAL PROCESS

The appeals form is available on the school’s website (www.rvrhs.com) or it can be picked up in the Attendance Office between the hours of 8:00 AM and 3:00 PM. All appeals should be sent to the Assistant Principal for Attendance. Whenever possible, an appeal to authorize an absence that is not covered by the approved list of authorized absences, should be filed prior to the absence from school. If this is not possible, the appeal must be received within 5 days of the student’s return to school.

Please note: Family vacations are not approved as authorized absences from school.

The Attendance Appeals Committee will meet the third Tuesday of every month, with the exception of January and June, at which time they will meet once a week. You will receive a response to your request for an appeal within one week of the date the committee meets. If you do not receive an appeal within this timeframe, please contact the Assistant Principal for Attendance at 609-267-0837, extension 3259.
DOCUMENTATION TO AUTHORIZE AN ABSENCE
It is the student and parent’s responsibility to provide the Attendance Office with the required documenta-
tion within 2 school days of the student’s return to school. Documentation may be hand-delivered or
faxed to (609-702-0631) to the Attendance Office. Please do not mail documentation. Any docu-
mentation received after this time period will not be accepted and the absence will be unauthor-
ized. This policy is in place to insure that students are cleared in a timely fashion so they can make up
any missed assignments. The student will receive a pass to show his/her teachers upon receipt of the
required documentation.

EARLY DISMISSAL
If a student needs to be picked up early from school, a parent/guardian must be present in order
to sign a student out of school. If a parent/guardian is not present or sends someone in their
place, written communication in the form of a note, email, or fax must be provided before a
student can be released from class. The email address is attendance@rvrhs.com. Emergency
contacts are not permitted to pick up a student, with the exception of the nurse’s office, unless
we have prior written communication from the parent/guardian.

BEHAVIOR

BEHAVIOR GUIDELINES
1. Staff and fellow students are to be treated with respect at all times. RV students are expected to
conduct themselves with courtesy.
2. When any staff member instructs a student to report to the office (usually discipline office), that
student must report to the office directly and immediately, where the problem will be discussed.
Even if a student feels that he/she is not guilty of violating any rules, one must report as directed.
3. Students should not display any conduct which draws negative attention. When students are loud
and boisterous, run and shove in the halls, display affections by close physical contact and kissing,
general RV rules are violated.
4. Students are considered under the supervision of school personnel from the time they leave to
attend school, while at school, and until they reach home after school. Also, unacceptable behavior
that may cause disruption in the school may be subject to school discipline even if it occurs after
school hours and away from the campus.

ACADEMIC DISHONESTY
A. PLAGIARISM/CHEATING
Learning requires that students assume full responsibility for their work. Unless otherwise directed,
all assignments must be completed independently. Plagiarism is when a student presents words or
ideas of someone else as his/her own. When a student uses ideas and information from a source
for any assignment that is submitted for credit, he/she MUST document that source. In addition,
any student who submits work products that they have previously submitted to other teachers or
institutions is committing an act of academic dishonesty. Any graded assignment (e.g. homework,
classwork, tests, quizzes, projects) that the teacher deems to be plagiarized or copied will result in
a ZERO (0) for that assignment. Any student who lends his/her work is subject to the same conse-
quences. If the assignment is valued to be more than 10% of the total points for a marking period, a
student will be permitted to resubmit that assignment for half-credit – with two days of being notified
by the teacher that the assignment is plagiarized. (This is not applicable to tests and quizzes). Incidents of academic dishonesty will be reported to the discipline office. The administration will
determine if further discipline of the pupil-above and beyond the academic penalties imposed-is
appropriate and will determine the nature of the discipline on a case-by-case basis. Students and
parents are advised to consult the Discipline Code and BOE policy #5701.

B. UNAUTHORIZED ACCESS OR USE OF STAFF TECHNOLOGY AND/OR ACADEMIC PROPERTY
Prohibited activities for electronic communications are outlined in the technology policy. Discipline
consequences are outlined in the Discipline Code.
TUTORIAL PERIOD GUIDELINES
1. Tutorial period will run from 7:30 – 7:53 AM.
2. Students arriving after 7:30 a.m. must report to the cafeteria. No students will be allowed in the hallway without a pass from an administrator or teacher. (Passes to teachers can be given to students the day before or written by teachers in the cafeteria.)
3. Students are not allowed in the hallways without a pass. Students in the hallway without a pass will be subject to disciplinary action.

FOOD
Homemade food cannot be brought to school and shared with other students. Students are not permitted to sell candy during school hours. The delivery of “fast food” to school for students is prohibited (e.g. McDonald’s, Burger King, etc.)

CAFETERIA/LUNCH
1. The cafeteria is your dining room. Cooperate with each other to maintain a pleasant atmosphere.
2. When not waiting in line, **students should remain seated**. Wait patiently in line. Do not cut into line, or disturb those in line in any way.
3. Know what you want and have your money ready when you reach the counter.
4. All food must be eaten in the cafeteria.
5. Clean up after yourself. Clean the table, dispose of waste paper and garbage in the receptacles provided and take your tray and dishes to the dishwashing station. Clean-up should be prior to the last ten minutes of the lunch period. Students found guilty of leaving trays, food, or debris in the cafeteria will be assigned to central detention. Any additional violations will cause additional disciplinary actions.
6. Demonstrate respectable table manners. Throwing objects and liquids will not be tolerated, nor will running or horseplay be allowed. Violation will result in suspension from cafeteria, and/or other action.
7. Students are expected to report to the cafeteria at their assigned period, and may not leave without the approval of the staff member on duty.
8. Any student who loans or sells his/her access code for free/reduced lunch will have their lunch privileges revoked.
9. Cafeteria personnel will treat students courteously at all times and expect such treatment in return.
10. Any suggestion or criticism of the food services may be written on a note and placed in the business administrator's mailbox in the main office.
11. Students may not leave campus or go to the parking lot without permission during lunch or at any other time during the school day. **Lunch out privileges are only for seniors who have met the requirements for the reward program.**

ATHLETIC AND SPECIAL EVENTS
All RV activities are an extension of the regular school day with regular school policies applying. Rules governing student behavior in school will prevail during all activities, home or away. Booing or disrespect are out of place at any RV activity. The program, the student body, and above all, YOU are judged by your actions. Respect the rights of others at all times. You can contribute greatly to school spirit and community pride.

RVRHS Spectator Code:
1. If you don’t play a sport, be one.
2. Show respect for the opponents and their school.
3. Learn the cheers, and cheer with the cheerleaders.
4. Treat the referees as guests of the school.
5. Behave in a manner that is a credit to RV.
6. Be courteous toward other spectators. (Don’t change seats, run back and forth, or stand without a reason.)
7. Don’t boo.
8. Be modest in victory and gracious in defeat.
DANCES
Dances as well as other special events may be held with the approval of the Student Activities Coordinator and Principal.

General guidelines are as follows:
1. Tentative plans and requested date must be submitted to the activities director. Tentative plans include:
   a. Requested location, date and time
   b. Theme and decorations
   c. Entertainment (A contract with a group is required subject to administrative approval)
   d. Refreshments
   e. Set-up and facilities needed.
   f. Publicity and tickets

10. Students may not leave a dance prior to one half hour of ending time unless picked up by a parent.

STUDENT PASSES
Students must use their agenda book as a hall pass. Students are not permitted in the halls and restrooms during classes or homeroom without an agenda book signed by the teacher. The hall pass entitles the student to be in the halls for a reasonable period of time until his/her errand is completed. Any staff member has the authority to ask to see a pass at any time. Students may not share their agenda book or have more than one name on the agenda book pass.

CELL PHONES
Students are never permitted to use their cell phones in the building or during school hours. If a cell phone is seen or heard, it will be confiscated and it will ONLY be returned to a parent/guardian. Students may use their cell phones outside the school building prior to homeroom and at dismissal. Failure to give a phone to a staff member will result in suspension.

DRESS CODE FOR STUDENTS
Reasonable guidelines concerning dress, and grooming are vital not only to the individual student but also to those with whom he/she shares a class or activity. Clothing should not hinder a serious learning atmosphere.
Students should not wear clothing that can be hazardous to good health in any type of school activity, or that blocks vision and restricts movement.
While the selection of clothing worn at school is the responsibility of the parents and students, the school reserves the right of final decision concerning dress and appearance, especially if a dress style is potentially disruptive or represents a threat to the safety of an individual or community. The following clothing is prohibited and shall be considered a violation of the dress code:

1. Clothing and/or accessories containing inappropriate pictures and/or words (examples are references to alcohol, drugs, gangs, weapons, acts of violence or sex including phrases or words with double meaning).

2. No undergarments/pajamas (includes boxer shorts) should be showing nor worn as outer garments. No sleeveless tee shirts.

3. Any clothes that are cut so short or extreme so as to bring attention upon a student as well as wearing any garment, cut or altered in such manner as to distract attention from or impede the education aims of the school, as determined by the principal or his designee.

4. Bare feet

5. Hats, scarves, bandannas, and head coverings are not to be worn in school except where the restriction would cause the school to advance or hinder the particular codes of religious tenets. Head coverings worn to express the individuality of one’s religious preference will be allowed upon receipt of a letter from the student’s parent or guardian verifying the student's religious affiliation. The school may require students, regardless of religious beliefs, to wear protective headgear during athletic activities and special class and lab situations to foster safety among students.

6. Spandex or Spandex-type materials such as bike shorts, bike slacks, or bike “outfits” are not to be worn to school.

7. Clothing in which a student has participated in physical education should not be worn in other areas of the school.

8. Sunglasses or other dark glasses are not to be worn indoors, unless a doctor’s note is filed with the nurse.

9. Shorts may be considered a distraction to the class by the classroom teacher. A good guide for the students would be to wear shorts that are not more than five inches above the knee. Bathing suit shorts or gym type shorts are unacceptable attire.

10. No tops with bare shoulders. Tops must have a strap over each shoulder. No tube tops, bare back or bare midriffs, (sundresses are acceptable if not extremely cut), mesh or “fish net” style apparel.

11. Pants are not to be worn below the hips.

12. Blankets are not permitted.

Violations will also be subject to disciplinary action.

Specific situations such as labs, shops, etc., may have additional regulations. Students who do not abide by the dress code may be sent home for suitable attire, and will be assigned a warning for a first offense. Repeated violators will be subject to more severe disciplinary action.

If a teacher feels a dress code violation has occurred, the student will be sent to the Discipline Office. Due to the constantly changing variety of apparel styles, the principal or designee has the authority to determine if a clothing item or accessory not specifically covered in this dress code is appropriate school attire.
ASSEMBLY
On special occasions during the school year, students are invited to attend programs which are presented either in the Performing Arts Center, main gym or historic auditorium.

These programs are designed to educate, entertain, inform and recognize outstanding accomplishments by RV students. Be considerate of the feelings and rights of others in the audience as well as those taking part in the program.

The following procedures must be followed to insure a successful presentation:

1. Walk through halls quietly when going to an assembly.
2. Fill in each seat from the front of the auditorium using either side aisle.
3. Dispose of chewing gum and snacks before entering the assembly area. Remove hats, except approved head coverings due to religious code.
4. Listen attentively and show respect for the speaker, performers(s) and/or presentation.
5. Do not do homework or read during the program. Encourage the person up front by showing appreciation for what he’s trying to do. Do not distract other people’s attention from the speaker.
6. Applaud appropriately; no whistling, stamping, yelling, etc.
7. When dismissed, leave the assembly area in a quiet and orderly manner.

CARE OF PROPERTY AND FINE FOR LOSS OR DAMAGE
It is the personal responsibility of every person in RV to do his/her share to keep the building, grounds, and materials safe, clean and attractive.

1. Trash should be deposited in the containers provided.
2. Writing on or defacing walls, desks, chairs, bulletin boards, etc. is prohibited. Damage to property is a disciplinary offense, and the cost must be assumed by the student. If warranted, the administration reserves the right to file a complaint with law enforcement.
3. Most educational books and materials, and articles such as uniforms, athletic equipment, and music supplies are loaned to a student by the Board of Education. Athletes are provided with a lock to be used on their lockers in the athletic locker rooms. The school is not responsible for loss or theft of any items in a student’s locker. Items such as textbooks, class materials, etc. left in lockers after the last day of school will be subject to a $25.00 restocking fee. This fee will be added to a student’s fine list.

At the end of a course or activity when books and supplies are due, and are damaged or not returned, fines will be charged which must be paid by the student. Students must have all fines paid to be considered a Student in Good Standing.

Students are responsible for books and supplies loaned to them or face the penalty of fines, which, if not satisfied, will result in loss of student in good standing status and ineligibility for school activities until the obligations are cleared.

4. All textbooks should be covered.
5. The school does not take responsibility for the protection of private property.
6. It is recommended that very little money or other valuables be brought to school.

EVACUATION DRILLS/RELOCATION/LOCKDOWN
1. All schools are required by law to conduct two drills per month. The object of the drills is not only to see how quickly the building can be emptied but also how orderly and completely.
2. At the ringing of the fire alarm, the teacher should lead students out of the building according to the directions posted in each room. Be alert for any blocked exits causing rerouting. Go far enough away from the building to avoid interference with the fire department. Always clear the driveways.
3. Students shall leave the building at a rapid walk, but must not run. Pushing is forbidden.
4. Absolute silence is required when leaving the building and while remaining outside. This rule is for the safety of all personnel to hear instructions.
5. A teacher will take attendance of his/her students outside the building; therefore, it is essential that a class remain together as a group.
6. Smoke doors of the building should be opened only in passing but closed at all other times.
DISCIPLINE
The Board of Education determines policy. The administration and staff are responsible to carry out the policy. The State, under Title 18A established the teacher as the authority in the classroom; it specifically directs students to comply with the rules of the school.

It is expected that each student prepare himself or herself mentally and physically for the process of learning as well as: demonstrate respect for people and property; monitor his or her own progress toward class objectives; meet the requirements of each class; and communicate with parents/guardians and school personnel about school related matters. RV’s position is based on the fact that our students can be responsible for their actions. The evidence shows that there are limited numbers and occasions when our students are “out-of-bounds”. However, when irresponsible behavior is engaged in, several actions may result. A continual attempt is made to involve the student, teacher, and parents concerning discipline problems. Any infraction of a school rule may be referred to the Board of Education for action at a board hearing.

Specific situations may cause staff members to modify the rules expressed herein with prior approval of administration. Staff and students will be notified of any such change.

In general, any behavior, even if not specifically listed in the Disciplinary Code, which in the opinion of the staff could cause the disruption of school, injury to a student or staff member, or negatively affect the educational environment of the school, is not acceptable.

The Disciplinary Code applies to all school-sponsored activities whether on or off school grounds. Students must always comply with rules established by the school and are accountable for disobedient conduct both in school and on the way to and from school.

THE FOLLOWING SCHOOL CONDUCT CODE IS DESIGNED AS A GUIDE FOR DISCIPLINARY CONSEQUENCES.

The following list provides guidelines upon which consequences will be dispensed in an effort to change behavior and help students make better decisions. However, each case must be individually evaluated and the administration has the right to determine the appropriate consequences based on the facts of the offense. Therefore, based on the severity of the offense, the consequences could be the maximum for that particular offense, regardless of the frequency of the offense.

Behavioral guidelines are in effect whenever school jurisdiction is applicable. Student offenses are cumulative throughout the high school career. MEDIA CENTER
The Media Facility is open to students everyday. Hours are from 7:20 a.m. – 3:00 p.m., Monday through Thursday; 7:20 a.m. - 2:30 p.m. on Friday. Students can come to the library during student prep, study hall, with a class, with a pass from a teacher, or before and after school. Students can receive a pass to visit the media center by requesting one during tutorial. Summer hours are 9:00 a.m. to 12:00 p.m. Monday through Thursday; however, it is recommended that you phone 267-0830 x3289 for availability.

All media center materials circulate—books, 2 weeks; and magazines; CDs; DVDs, 3 days. SENIOR CLASS TRIP
The Senior Class generally takes a class trip in early-March of the senior year. In recent years this trip has been to Orlando, Florida. All seniors that meet the "student in good standing" policy are eligible to participate in the trip. The cost is in the $1,575 range. The trip includes a 5-day excursion, air fare, lodging, and one meal each day. Those interested in participating are encouraged to begin monthly payments during the summer of their freshman year. Freshmen generally pay $50 per month through the three years. If payment is not begun until sophomore year, payments are approximately $70 per month over two years. If payments are started the junior year, the fees are about $105 per month. The earlier payments are started, the smaller the amount will be for each month. The cost can be offset by students' participation in class fundraising activities. The individual class advisors will work with students on these. Money raised can be transferred to the senior trip account during the senior year if students wish. Payments can be mailed to the school or brought in by students. Payments should be directed to the following individuals:

• Class of 2021 – Ms. Hoyer
• Class of 2022 – Mrs. J. Gerry
• Class of 2023 – Mrs. A. Rennie
• Class of 2024 – Mrs. A. Davis

The student's class year and name should be clearly indicated on checks or money orders. Payments mailed to the school should be addressed to the staff member indicated for the particular class year and have the class year written on the envelope.

Additional information about the trip is always e-mailed home via Genesis. Juniors going to be seniors will receive an e-mail at the end of April detailing costs, datelines, and the itinerary. In addition, information can be found on the RV web page under the student section marked Senior Trip. This information will include specific deadlines established by the travel agency as well as all required paperwork. Students planning to go on the trip must meet those deadlines.

Students who begin payments and decide at a later date that they do not wish to participate in the trip can expect a full refund up to October of their senior year. Any changes after the October payment are subject to cancellation policies specified by the travel agent. Likewise, students who decide later that they wish to go on the trip may do so provided payment is made by a specified date and space is still available on the airline.

Any students needing information about the trip should see Mrs. Rosenthal in the Student Activities Office. Students must be in Good Standing to participate in the Senior Trip.

**EXTRACURRICULAR ACTIVITIES**

Rancocas Valley provides many non-athletic activities for students. The activities are scheduled during tutorial, student prep, and after school throughout the school year. Research has shown that students who are involved in extra-curricular activities are more successful during their high school years.

The motto of the Student Activities Office is: Academics + Activities = Success!

One of the largest organized groups is Student Council. The Student Council organizes the fall Homecoming, fundraisers, spirit competitions, community service outreach and much more. Freshman elections for Student Council are held in September. Elections for Student Council and class officers/representatives are held in the spring. Any student can be involved in Student Council, even if they are not in an elected position.

ATHLETIC INJURY CARE AND PREVENTION PROGRAM
The Athletic Trainers at RVRHS are licensed by the State of New Jersey as healthcare professionals who optimize care for the safe return to activity and participation by student-athletes and patients. Athletic training encompasses the prevention, treatment, and intervention of emergency, acute and chronic medical conditions involving impairment, functional limitations, and disabilities. The Rancocas Valley Athletic Training staff is here to provide professional and progressive rehabilitation through personalized care that emphasizes athlete education and prevention of future injury. We provide these services through skilled evaluations and recommended treatment options. We work in conjunction with the student’s treating physicians to create programs that assist our athletes in returning to optimal performance levels on and off the athletic field. Our services are provided free of charge to our student-athletes.

Rancocas Valley Regional High School has two Certified Athletic Trainers on staff. One is based on campus year round at RV, and one is based in the Eastampton Athletic Complex during the fall and spring seasons. Each facility is fully equipped with all the modalities needed to treat and rehabilitate athletic injuries. We also have a team physician that assists us during the school year; Dr. John Gray, with Reconstructive Orthopedics.

In the event of an injury suffered by a student-athlete during a practice or competition during the athletic season, it is strongly recommended that the injured student-athlete, or their coach, report the incident to the Athletic Training Staff as soon as possible. There is an athletic trainer available at all home competitions and almost every practice during each athletic season.

Student-athletes at RV have a rare privilege that most high school students do not enjoy; access to the Athletic Training Staff during the school day. The athletic trainers are available during student prep periods throughout the school day to provide assessment, treatment, and rehabilitation of athletic injuries or medical conditions. When reporting to the athletic training room during a prep period, a student should go directly to the AT room first, then once their treatment is completed, they will return to their prep with a pass from the athletic trainers.

In order to provide quality care for our student athletes, we do our best to work alongside doctors and other health care professionals. If an RV student-athlete is seeing or is going to see a physical for an injury, we need a note clearing them for participation. If they do not have a note, they will be unable to practice or compete. It is important that we have this communication to protect our athletes from further injury as well as enhance our rehabilitation capabilities. This also applies to injuries sustained during the athletic season, but outside of school sanctioned competition. In the event of a significant injury that is deemed by the AT Staff to need further evaluation and treatment from a physician, the Athletic Trainer will provide a referral notice and the student-athlete’s parents will be notified.

ATHLETIC TRAINING ROOM PROCEDURES
1. If injured or receiving treatment on a daily basis, student-athletes should report to the athletic training room during their prep period. Any student who reports to the athletic training room late will be subject to disciplinary action.

2. Any student entering the athletic training room must sign-in through the Turnstile function on Genesis. There is a computer located directly next to the entrance for this purpose. When leaving the AT room, all students must sign in-out on Turnstile as well. The Athletic Trainer will provide a pass back to class.

3. Any student who has early dismissal should report to the AT room immediately after their dismissal time.

4. Students are not excused from class to see the Athletic Trainer.

5. No eating or drinking in the Athletic Training room.

6. The school dress code policy must be followed while in the AT room. Student-athletes performing rehabilitation or other athletic activity are expected to be in active clothing and sneakers.

7. Any athlete seen by a physician for an injury or medical condition, whether sports related or no, must provide a note from that physician to the athletic trainer regarding the diagnosis, treatment plan, and level of participation.
SPORTS PHYSICAL INFORMATION
1. All RVRHS student-athletes must have a pre-participation physical examination completed before participating in any sport practices or contests. The examination must be done on official New Jersey State forms.
2. Parents, student-athletes, and physicians must fill out physicals completely and accurately.
3. Physicals are due to the athletic training staff no later than 2 weeks before the official start date of the upcoming physical.
4. Sports physicals expire 1 year from the date of the examination.
5. If a physical was done more than 90 days before the start of a season, student-athletes and parents must complete the Health History Update Questionnaire which is available at rvrhs.com under the “Documents” tab. This must be turned in at least 1 week before the start of the season.
6. During the school year, sports physical paperwork may be obtained from the athletic trainer, the school nurse, and in the main office, as well as online at rvrhs.com under the “Documents” tab. During the summer, paperwork can be found at rvrhs.com or main in the main office.
7. All physicals must be reviewed and cleared by the school doctor before a student-athlete may participate in athletics at RVRHS.

ATHLETIC INJURY INSURANCE PROCEDURES
When it is necessary for a student-athlete to seek additional medical care for an injury or condition resulting from participation in RVRHS athletics, the athletic trainer will issue insurance paperwork. All athletes participating in the RVRHS athletic program are covered by an excess plan of insurance. It is the responsibility of the student-athlete to notify the athletic trainer that medical attention was sought. It is the responsibility of the parents to forward the insurance form to the insurance company. If the insurance form is not completed within 90 days from the date of injury, coverage may be forfeited.

SALES AND FUNDRAISERS
1. Soliciting to the local community for cash is prohibited.
2. Fundraisers must be pre-approved by the activities director and parents must sign a permission slip.
3. Sales during class time is prohibited.
4. Sales should not be conducted in a manner which disrupts the hallways or classrooms.

BOOSTER CLUBS
Booster Clubs such as Band Parents or Cheerleader Boosters, give parents an excellent opportunity to get involved in an extracurricular activity that their child enjoys. The clubs help open the door to involvement in other activities as well and foster school community spirit. The organizations also provide important moral and financial support for many school activities.

RV’s School and Community Committee developed the following guidelines to help assure success for all school booster clubs.

Goals:
- Encourage more parent support for their students
- Build the image of RV within the entire school community
- Be a resource for other parents
- Support the specific activity/sport.

Guidelines:
1. Contact coaches and teachers involved in specific activities to discuss forming a booster club.
2. Each group must develop its own bookkeeping system.
3. Although local merchants should support our schools, booster clubs must consider other fund-raising alternatives to asking businesses for financial support.
4. Evaluation, management and supervision of all activities and sports remains with school administration.
5. Must register proposed booster club with Business Office.

2. Helping students overcome personal and social problems.
3. Reviewing with students their educational and vocational plans.

Students are encouraged to visit the Guidance Office or attend guidance sponsored activities with the permission of the assigned teacher. Counselors are available during tutorial, student prep and prior to homeroom to issue passes to students who desire an appointment. If a counselor is out of the office or is unavailable, a student should leave a written message with the guidance secretaries.

GUIDANCE MATERIALS AVAILABLE TO STUDENTS
The Guidance Department offers a wide range of supplemental materials for all students for various post-secondary options. The following internet program is offered: Naviance Student

HINTS FOR COLLEGE BOUND STUDENTS

To meet minimum requirements for most colleges, the following courses must be taken in high school: four courses in English, two courses in United States History, one course in World History, two courses in a foreign language, three courses in college preparatory math (Algebra I, Algebra II, and Geometry), and three courses in a science (including at least 2 lab sciences i.e. Chemistry, Biology and/or Physics). Students who plan to major in math or engineering should take four or five courses in math. Science majors and those interested in the medical professions should take at least four courses in science. All college bound students should check with their counselor before their junior year for the total number of academic units required by the colleges and/or universities of their choice. (Most require 16 academic units for admissions).

Student-Athletes who are planning on participating in Division I or II athletics in college should see his/her counselor regarding the NCAA Clearinghouse process. NCAA registration is only available online (no paper forms are available) at www.ncaa.org.

In addition to course requirements, most colleges require students to take either the American College Test (ACT) or the Scholastic Aptitude Test (SAT). Some colleges also require that certain SAT II subject tests be a part of the student’s entrance application. Our high school (CEEB) code number is 310-865 (this information is used on all test materials). SAT & ACT testing materials are available in the RV Guidance Office or online at www.collegeboard.com (SAT) and at www.actstudent.org (ACT). Students are responsible for mailing all forms.

2020-2021 SAT TESTING DATES AT RVRHS (for both SAT I & SAT II) are the following:

2020-2021 ACT TESTING DATES AT RVRHS are the following:
September 12, 2020, and April 17, 2021.

2020-2021 PSAT will be given at RVRHS on October 14, 2020. This is a national test administered ONLY on this date for juniors, sophomores and freshmen and is the qualifying test (juniors only) for the National Merit Scholarship Program, the National Achievement Scholarship Program for Outstanding Black Students and the National Achievement Scholarship Program for Outstanding Hispanic Students.

The RVRHS Guidance Department hosts an annual College and Career Fair to be held on October 8, 2020 in the RV cafeteria from 7:00 PM–9:00 PM. Over 120 colleges, universities, technical and trades schools and the various branches of the United States military will be in attendance to provide information to students and their parents/guardians.

All students (especially seniors) who need their high school transcripts forwarded to a business, college or an organization, must have a Record Release Form signed by their parents/guardians and returned to the Guidance Department. Students who are 18 years of age may complete their own Record Release Forms.

Students who are enrolled in RV Advanced Placement (AP) courses and who are interested in earning college credit before entering college should consider taking the AP tests scheduled beginning May 3 - 14, 2021. Students will sign up and pay for AP exams in the Guidance Department from October 5, 2020 – November 5, 2020. (Registration dates are earlier this year due to changes made by the College Board.)

FINANCIAL AID FOR HIGHER EDUCATION

Students needing financial aid should consider the various sources of grants, loans, and scholarships. The Financial Aid Office of the college/university can assist students with specific information. Be reminded the major responsibility for applying for scholarships and loans rests with the student. To be eligible for financial aid most colleges or organizations require that a Free Application for Federal Student Aid Form (FAFSA) be completed by both the student and his/her parents. By completing the FAFSA, you will be given a federal government report indicating the dollar amount (Estimated Family Contribution-EFC) that you and your parents are expected to contribute to your college education. A Financial Aid Night will be held on October 22, 2020 from 6:30 PM – 8:30 PM in the Old Auditorium for parents and college-bound students. Mr. John Iacovelli, Director of Financial Aid at Stockton University will speak and answer questions.

A Senior Newsletter will be emailed home monthly to seniors informing them of scholarship opportunities and current information. In addition, a Local Scholarship Meeting will be held on February 9, 2021 for parents and students to learn about available local scholarships. Scholarship information sheets and application forms will be available at the meeting as well as in the Guidance Department after the meeting. Other scholarship recipients will be selected by the RV Scholarship Committee and based on outstanding accomplishments in an area, recommendations and/or need. Local scholarship recipients will be announced at the Senior Award Night in June 2021.
HINTS FOR NON-COLLEGE BOUND STUDENTS
Students not planning on college should consider some of the excellent course offerings in our Business, Fine Arts (music and art), Family and Consumer Science and Technology Departments. A background in any of these areas may result in employment after graduation. All students, however, are encouraged to continue their training and education by taking advantage of trade, technical and business schools which generally require two years or less. These schools will be represented at our College and Career Fair on October 8, 2020. Rowan College at Burlington County also offers certificate programs. See your counselor for details.

WITHDRAWAL FROM SCHOOL
1. If your child is moving to another district or out of state, please notify the Registrar’s office immediately and a withdrawal date should be given at that time.
2. Any student between the ages of 15-18 (unless an emancipated student) must have the signature of the legal parent/guardian on the Official Withdrawal Sheet, or a written letter (notarized) to give approval of the withdrawal.
3. All students will be asked to take a Clearance Sheet around to all of their teachers to obtain a withdrawal grade, clear fines, nurses’ clearance, library clearance, and counselor signature. This will be done only with any withdrawal occurring during the school year.
4. All athletic uniforms and equipment should be returned to the student’s coach. All fines MUST be paid before the student leaves RV.
5. Records needed for registration will be given to the parent(s)/guardian(s) (or student) after all clearance steps have been completed.

HEALTH SERVICES
1. The staff is composed of full time nurses on duty each day and a doctor who is present whenever health examinations are scheduled.
2. The nurses’ office should be informed of all health conditions requiring special attention.
3. Over-the-counter as well as prescription medication that must be taken during school hours must be kept in the nurses’ office in the original labeled bottle. The RVRHS medication form signed by the student’s physician or a doctor’s note must be on file in the nurses’ office for the student to receive over-the-counter or prescription medication. Medication permission is good for the school year and must be renewed yearly. If you request medication to be given in school – the RVRHS Board of Education and it’s employees are to be held harmless. Any medications not picked up at the end of the school year will be thrown out. Tylenol permission can be found on the Genesis Parent Portal.
4. Asthma inhalers and Epi-pens for severe allergic reactions may be carried by the student ONLY if a “Asthma Treatment Plan” or a “Severe Allergy Action Plan” form is filled out and signed by doctor and parent. Forms are available from the nurses. If the carried medication is used, the student MUST immediately report to the nurses’ office for evaluation.
5. All students who are ill or injured during school hours should see the school nurse. The nurses will try to notify an emergency person if significant problems are found. It is the parents'/guardians' responsibility to provide transportation or permission to walk/drive if the student needs to go home.
6. In the event of a severe injury or illness requiring emergency medical care, the student will be transported as needed to the nearest available hospital for emergency medical care. Every possible attempt will be made to contact a parent to go to the hospital to be with the student.
7. Students wishing to see the nurse must have a pass from the teacher. Please do not come without a pass to the nurses’ office, even between classes, unless it is an emergency.
8. Students must sign in at the nurses’ office.
9. Doctors notes for PE must be brought to the nurse’s office per phys. ed. policy. Students with a history of chronic health problems, such as asthma, heart disease or orthopedic problems which may restrict or prevent them from regular physical education must have a note from their physician yearly.
10. Parents/guardians should be aware of the importance of obtaining at least one physical from the student’s physician during adolescence. If you do not have health insurance for your student, you can apply for “NJ Family Care”. This program provides free or low cost insurance for uninsured children and certain low income parents. Call 1-800-701-0710.

11. Physicals for working papers may be obtained through the school when the school physician is at the school.

12. All students participating in school sports must have a physical within the calendar year, documented on the New Jersey State Athletic Pre-Participation Physical Evaluation Form. If the sports physical is more than 90 days prior to the start of the sport, a Health History Update must be completed by the parent/guardian and returned to the school nurses at least one week before the start of practice. See section of “Sports Physical Requirements” in this agenda for details of sports requirements. If you do not have insurance, contact the school nurses well before the sport to set up a physical with the school doctors.

13. Students in 9th grade are given a vision screening. Students in 11th grade are given a hearing screening. Any problems are reported to the parent.

14. Students are screened in ninth and eleventh grades for scoliosis, a spinal deformity. If you do not wish to have this screening done by the health staff, please notify the nurses, in writing, at the beginning of the school year. Height, weight and blood pressure will be done on students of all grades.

15. If a student’s immunizations are incomplete and do not meet NJ requirements, they may be excluded from school. Please update the nurses’ office with any new immunizations your doctor gives to you.

16. The Board of Education is concerned with the physical and mental well being of students in this district and will cooperate with the state government in the identification and reporting of cases of child abuse in accordance with the law.

PREGNANCY

1. The nurses’ office must be informed of pregnancy or suspected pregnancy for health and safety reasons. Counseling and educational materials as well as supportive care are available in the nurses’ office.

2. A pregnant student may remain in school until a doctor determines that continued school attendance might be harmful to her or the expected baby.

3. A physical education excuse will be given with receipt of a doctor’s note indicating pregnancy.

4. When the doctor indicates that home instruction should be provided, a written request signed by the physician should be made to the person in charge of home instruction.

5. At the end of pregnancy, and when physically able, a student may return to a regular day school. A physician’s note should be brought to the nurse outlining any restrictions on activity.

NOTE: The nurses’ office should be informed of any special instructions concerning prenatal care.

SPECIAL SERVICES (CHILD STUDY TEAM)

The Special Services Office, has been established, in part, for young people in need of a more individualized program because of physical, mental, emotional or learning disabilities.

The basic child study team consists of a school psychologist, a learning disabilities teacher consultant, and a school social worker. The school physician also consults and contributes to the basic team. A child study team may also include a psychiatrist experienced in work with children, a neurologist, an ophthalmologist, a physical therapist, an occupational therapist and others as recommended by the IEP team in light of particular referring problems. Other members of the school professional staff (i.e., administrators, counselors, teachers, nurse and the speech therapist) may be asked to participate in child study team evaluations, as requested by the team supervisor.

A student is considered in need of Special Education and Related Services when he/she is impaired physically, emotionally, intellectually, or socially to such extent that without the aid of special facilities, special time schedules and/or special methods of instruction, he/she would not, in the judgment of the child study team, be expected to function educationally in a manner similar to that of adolescents not so impaired.

PROCEDURE FOR REQUESTING CHILD STUDY TEAM SERVICES

Faculty members are urged to discuss concerns about students who are exhibiting learning difficulties with the student, student’s parents, counselor, and the teacher’s supervisor and/or administration. If the difficulties are not resolved through these procedures, a referral to the Intervention and Referral Services Team is appropriate. Parents are encouraged to make referrals to the Intervention and Referral Services Team as well and can find referral forms in the guidance office. The Intervention and Referral Services Team will gather additional data, in cooperation with the guidance department, and refer the student to an appropriate resource which might include a full child study team evaluation with eventual special education placement.

2. They may represent themselves in circumstances such as reinstatement to school following suspension or withdrawal from school. They may inspect their permanent records and sign permission slips.
3. Parents will continue to be sent all school communications (such as attendance reports, senior failures, etc.) unless the 18-year-old or emancipated student has designated communications to be directed differently. 4. Parents or such person designated by the parent on the emergency card will be notified by the nurse in the event of injury or illness even if student is 18-years-old or emancipated unless said student has designated another emergency contact.
